I am member of the current Staff Committee and have been very active in order to defend several colleagues; I have to say that I have not been successful in all cases but in few cases I was able to reach a good solution for the concerned colleague.

I joined the service as RSO in 2009 and served in Sarajevo and Moscow, now I am posted in Kiev. As RSO I am frequently on mission in the region and this gives me the possibility to speak personally with all colleagues.

If you want to have a colleague who is not afraid of fighting for your rights, please support me.
